Balance on hand \$ 162 98

The committee has bought very few books this year, deeming it necessary to re-index and re catalogue the Library, in order to enable the librarian to give intelligent and efficient service, as well as to enable the patrons to make their selections without necessarily going over the entire list

This has been nearly completed and the printed catalogues will soon be ready for distribution, and the Committee expects the balance on hand will cover the expense of same.

BOARD OF HEALTH REPORT

We, the undersigned Board of Health of the town of Colebrook, respectfully submit the following report:

The town has been unusually free from all contagious diseases for the past year. The school houses of the town have been inspected and found in a very good condition. Other places have been visited from time to time as deemed necessary and changes ordered as required. The old dumping ground has been abandoned, and a satisfactory new one has not yet been secured, and we would recommend that the selectmen make an effort to secure a suitable one in the near future.

Signed,

E. E. Twombly,	}	Health Board
G. W. Dickson,		of
		Colebrook
